**Beryllium Foil Excess Inventory as of October 4, 2022**

Grade	Material Description	Thickness mm (in.)	Dimension 1 mm (in.)	Dimension 2 mm (in.)	Quantity	Material	Shape	Unit Price
-------	----------------------	-----------------------	-------------------------	-------------------------	----------	----------	-------	------------

All beryllium discs, rectangles and CF Flange assemblies are in new condition and meet all design specifications.  
 CF Flange assemblies carry the same limited lifetime warranty as all our beryllium window assemblies.

Contact us at +1 216-383-6800 or e-mail us at [electrofusion@materion.com](mailto:electrofusion@materion.com) to confirm availability, vacuum or light integrity, surface finish information, and/or for a price quote. When inquiring, please provide the Material Number, found above.
