Happy Holidays!

Toys for Tots

Our Westford and Tyngsborough, MA teams collected new unwrapped toys for the [Toys for Tots Foundation](#) to be delivered to children during the holidays. The primary goal the program is to help bring the joy of the holidays and send a message of hope to America's less fortunate children. Some of

the toys collected were dolls, puzzles, games, trucks and books. We thank the generosity of our employees in giving the gift of happiness to these children in need.
