Upcoming Events Medical Expo

It's not too early to be thinking about [MD&M West](#), February 11-13, 2020 at the Anaheim Convention Center in CA. We are already planning our exhibit at this popular conference where engineers and executives from across the globe converge before going on to change the lives of patients. The event offers the opportunity to meet suppliers and experts leading the charge to disrupt healthcare.

Check our [event](#) page often for updates.

Product Spotlight Medical Coatings

November 14, 2019 is [World Diabetes Day](#); this year's theme is Family and Diabetes which has 3 focus points focused on the impact diabetes has on family: detecting, prevention and managing. Materion helps manage diabetes by providing life science companies solutions that advance the practice of medicine and improve quality of life through coatings that allow diabetics to monitor their blood sugar. We encourage families worldwide to detect, prevent and manage diabetes.

Employee Fall Outing!

Materion's Westford and Tynsborough, MA employees and their families enjoyed a day at [Kimball Farm](#) this Fall. The fun began with a BBQ themed lunch and ice cream for dessert. They also enjoyed Mini Golf, Bumper Boats, a Driving Range,

Giant Corn Hole, Face Painting, Balloons,
a Moonwalk and a Giant Slide!
