

# SAFETY DATA SHEET

**MATERION**

## 1. Identification

|  |  |              |
|--|--|--------------|
| Product identifier                                     | Yttrium Selenide (y2se3)   |              |
| Other means of identification                          |  |              |
| SDS number   | 1SO  |              |
| Materion Code  | 1SO  |              |
| CAS number   | 12036-87-2   |              |
| Manufacturer/Importer/Supplier/Distributor information |  |              |
| Manufacturer   |  |              |
| Company name   | Materion Advanced Chemicals Inc.   |              |
| Address  | 407 N 13th Street<br>1316 W. St. Paul Avenue<br>Milwaukee, WI 53233<br>United States |              |
| Telephone  | 414.212.0257   |              |
| E-mail   | advancedmaterials@materion.com   |              |
| Contact person   | Noreen Atkinson  |              |
| Emergency phone number                                 | Chemtrec   | 800.424.9300 |

## 2. Hazard(s) identification

|                       |  |            |
|-----------------------|--|------------|
| Physical hazards      | Not classified.  |            |
| Health hazards        | Acute toxicity, oral                                   | Category 3 |
|                       | Acute toxicity, inhalation                             | Category 3 |
|                       | Specific target organ toxicity, repeated exposure      | Category 2 |
| Environmental hazards | Hazardous to the aquatic environment, acute hazard     | Category 1 |
|                       | Hazardous to the aquatic environment, long-term hazard | Category 1 |
| OSHA defined hazards  | Not classified.  |            |

### Label elements

|                         |   |
|-------------------------|---|
| Signal word             | Danger  |
| Hazard statement        | Toxic if swallowed. Toxic if inhaled. May cause damage to organs through prolonged or repeated exposure. Very toxic to aquatic life. Very toxic to aquatic life with long lasting effects.  |
| Precautionary statement |   |
| Prevention              | Do not breathe dust/fume/gas/mist/vapors/spray. Avoid breathing dust. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well-ventilated area. Avoid release to the environment. |
| Response                | If swallowed: Immediately call a poison center/doctor. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor. Rinse mouth. Collect spillage.   |
| Storage                 | Store in a well-ventilated place. Keep container tightly closed. Store locked up.   |
| Disposal                | Dispose of contents/container in accordance with local/regional/national/international regulations.   |

**Hazard(s) not otherwise classified (HNOC)** None known.

**Supplemental information** For further information, please contact the Product Stewardship Department at +1.800.862.4118.

### 3. Composition/information on ingredients

#### Substances

| Chemical name            | Common name and synonyms | CAS number | %        |
|--------------------------|--------------------------|------------|----------|
| Yttrium Selenide (y2se3) |                          | 12036-87-2 | 90 - 100 |

\*Designates that a specific chemical identity and/or percentage of composition has been withheld as a trade secret.

### 4. First-aid measures

|   |  |
|---|--|
| <b>Inhalation</b>   | Remove victim to fresh air and keep at rest in a position comfortable for breathing. Oxygen or artificial respiration if needed. Do not use mouth-to-mouth method if victim inhaled the substance. Induce artificial respiration with the aid of a pocket mask equipped with a one-way valve or other proper respiratory medical device. Call a POISON CENTER or doctor/physician.   |
| <b>Skin contact</b>   | Wash off with soap and water. Get medical attention if irritation develops and persists.   |
| <b>Eye contact</b>  | Do not rub eyes. Rinse with water. Get medical attention if irritation develops and persists.  |
| <b>Ingestion</b>  | Call a physician or poison control center immediately. Rinse mouth. Do not induce vomiting without advice from poison control center. If vomiting occurs, keep head low so that stomach content doesn't get into the lungs. Do not use mouth-to-mouth method if victim ingested the substance. Induce artificial respiration with the aid of a pocket mask equipped with a one-way valve or other proper respiratory medical device. |
| <b>Most important symptoms/effects, acute and delayed</b>                     | Prolonged exposure may cause chronic effects.  |
| <b>Indication of immediate medical attention and special treatment needed</b> | Provide general supportive measures and treat symptomatically. Keep victim warm. Keep victim under observation. Symptoms may be delayed.   |
| <b>General information</b>  | If you feel unwell, seek medical advice (show the label where possible). Ensure that medical personnel are aware of the material(s) involved, and take precautions to protect themselves. Show this safety data sheet to the doctor in attendance.   |

### 5. Fire-fighting measures

|  |   |
|--|---|
| <b>Suitable extinguishing media</b>                                  | Water fog. Foam. Dry chemical powder. Carbon dioxide (CO2).                                   |
| <b>Unsuitable extinguishing media</b>                                | Do not use water jet as an extinguisher, as this will spread the fire.                        |
| <b>Specific hazards arising from the chemical</b>                    | During fire, gases hazardous to health may be formed.   |
| <b>Special protective equipment and precautions for firefighters</b> | Self-contained breathing apparatus and full protective clothing must be worn in case of fire. |
| <b>Fire fighting equipment/instructions</b>                          | Move containers from fire area if you can do so without risk.                                 |
| <b>Specific methods</b>  | Use standard firefighting procedures and consider the hazards of other involved materials.    |
| <b>General fire hazards</b>  | No unusual fire or explosion hazards noted.   |

### 6. Accidental release measures

|  |  |
|--|--|
| <b>Personal precautions, protective equipment and emergency procedures</b> | Keep unnecessary personnel away. Keep people away from and upwind of spill/leak. Wear appropriate protective equipment and clothing during clean-up. Avoid inhalation of dust. Ensure adequate ventilation. Local authorities should be advised if significant spillages cannot be contained. For personal protection, see section 8 of the SDS. |
|--|--|

**Methods and materials for containment and cleaning up**

Avoid dispersal of dust in the air (i.e., clearing dust surfaces with compressed air). Prevent product from entering drains. Stop the flow of material, if this is without risk.

Large Spills: Wet down with water and dike for later disposal. Shovel the material into waste container. Cover with plastic sheet to prevent spreading. Absorb in vermiculite, dry sand or earth and place into containers. Following product recovery, flush area with water.

Small Spills: Sweep up or vacuum up spillage and collect in suitable container for disposal. Wipe up with absorbent material (e.g. cloth, fleece). Clean surface thoroughly to remove residual contamination.

Never return spills to original containers for re-use. For waste disposal, see section 13 of the SDS.

**Environmental precautions**

Avoid release to the environment. Inform appropriate managerial or supervisory personnel of all environmental releases. Prevent further leakage or spillage if safe to do so. Avoid discharge into drains, water courses or onto the ground.

**7. Handling and storage**

**Precautions for safe handling**

Minimize dust generation and accumulation. Avoid breathing dust. Avoid prolonged exposure. Do not taste or swallow. When using, do not eat, drink or smoke. Use only outdoors or in a well-ventilated area. Wear appropriate personal protective equipment. Wash hands thoroughly after handling. Avoid release to the environment. Observe good industrial hygiene practices.

**Conditions for safe storage, including any incompatibilities**

Store locked up. Store in original tightly closed container. Store in a well-ventilated place. Store away from incompatible materials (see Section 10 of the SDS).

**8. Exposure controls/personal protection**

**Occupational exposure limits**

**US. OSHA Table Z-1 Limits for Air Contaminants (29 CFR 1910.1000)**

| Material                                     | Type | Value     |
|--|------|-----------|
| Yttrium Selenide (y2se3)<br>(CAS 12036-87-2) | PEL  | 0.2 mg/m3 |

**Biological limit values**

No biological exposure limits noted for the ingredient(s).

**Appropriate engineering controls**

Good general ventilation (typically 10 air changes per hour) should be used. Ventilation rates should be matched to conditions. If applicable, use process enclosures, local exhaust ventilation, or other engineering controls to maintain airborne levels below recommended exposure limits. If exposure limits have not been established, maintain airborne levels to an acceptable level.

**Control parameters**

Follow standard monitoring procedures.

**Individual protection measures, such as personal protective equipment**

**Eye/face protection**

If contact is likely, safety glasses with side shields are recommended.

**Skin protection**

**Hand protection**

Wear appropriate chemical resistant gloves. Suitable gloves can be recommended by the glove supplier.

**Other**

Wear suitable protective clothing. Use of an impervious apron is recommended.

**Respiratory protection**

In case of insufficient ventilation, wear suitable respiratory equipment.

**Thermal hazards**

Wear appropriate thermal protective clothing, when necessary.

**General hygiene considerations**

Keep away from food and drink. Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking.

**9. Physical and chemical properties**

**Appearance**

**Physical state**

Solid.

**Form**

Solid.

**Color**

Not available.

**Odor**

Not available.

|   |                |
|---|----------------|
| Odor threshold                                      | Not available. |
| pH  | Not available. |
| Melting point/freezing point                        | Not available. |
| Initial boiling point and boiling range             | Not available. |
| Flash point   | Not available. |
| Evaporation rate                                    | Not available. |
| Flammability (solid, gas)                           | Not available. |
| <b>Upper/lower flammability or explosive limits</b> |                |
| Flammability limit - lower (%)                      | Not available. |
| Flammability limit - upper (%)                      | Not available. |
| Explosive limit - lower (%)                         | Not available. |
| Explosive limit - upper (%)                         | Not available. |
| Vapor pressure                                      | Not available. |
| Vapor density                                       | Not available. |
| Relative density                                    | Not available. |
| <b>Solubility(ies)</b>                              |                |
| Solubility (water)                                  | Not available. |
| Partition coefficient (n-octanol/water)             | Not available. |
| Auto-ignition temperature                           | Not available. |
| Decomposition temperature                           | Not available. |
| Viscosity   | Not available. |
| <b>Other information</b>                            |                |
| Explosive properties                                | Not explosive. |
| Molecular formula                                   | Se3Y2          |
| Oxidizing properties                                | Not oxidizing. |

## 10. Stability and reactivity

|                                    |   |
|------------------------------------|---|
| Reactivity                         | The product is stable and non-reactive under normal conditions of use, storage and transport. |
| Chemical stability                 | Material is stable under normal conditions.   |
| Possibility of hazardous reactions | Hazardous polymerization does not occur.  |
| Conditions to avoid                | Contact with incompatible materials.  |
| Incompatible materials             | Strong oxidizing agents.  |
| Hazardous decomposition products   | No hazardous decomposition products are known.  |

## 11. Toxicological information

### Information on likely routes of exposure

|  |  |
|--|--|
| Inhalation   | Toxic if inhaled.  |
| Skin contact   | No adverse effects due to skin contact are expected.     |
| Eye contact  | Direct contact with eyes may cause temporary irritation. |
| Ingestion  | Toxic if swallowed.                                      |
| Symptoms related to the physical, chemical and toxicological characteristics | Direct contact with eyes may cause temporary irritation. |

## Information on toxicological effects

|   |  |
|---|--|
| <b>Acute toxicity</b>   | Toxic if inhaled. Toxic if swallowed.  |
| <b>Skin corrosion/irritation</b>                                      | Prolonged skin contact may cause temporary irritation.   |
| <b>Serious eye damage/eye irritation</b>                              | Direct contact with eyes may cause temporary irritation.   |
| <b>Respiratory or skin sensitization</b>                              |  |
| <b>Respiratory sensitization</b>                                      | Not a respiratory sensitizer.  |
| <b>Skin sensitization</b>   | This product is not expected to cause skin sensitization.  |
| <b>Germ cell mutagenicity</b>   | No data available to indicate product or any components present at greater than 0.1% are mutagenic or genotoxic. |
| <b>Carcinogenicity</b>  | This product is not considered to be a carcinogen by IARC, ACGIH, NTP, or OSHA.                                  |
| <b>IARC Monographs. Overall Evaluation of Carcinogenicity</b>         |  |
| Yttrium Selenide (y2se3) (CAS 12036-87-2)                             | 3 Not classifiable as to carcinogenicity to humans.  |
| <b>OSHA Specifically Regulated Substances (29 CFR 1910.1001-1050)</b> |  |
| Not regulated.  |  |
| <b>US. National Toxicology Program (NTP) Report on Carcinogens</b>    |  |
| Not listed.   |  |
| <b>Reproductive toxicity</b>  | This product is not expected to cause reproductive or developmental effects.                                     |
| <b>Specific target organ toxicity - single exposure</b>               | Not classified.  |
| <b>Specific target organ toxicity - repeated exposure</b>             | May cause damage to organs through prolonged or repeated exposure.   |
| <b>Aspiration hazard</b>  | Not an aspiration hazard.  |
| <b>Chronic effects</b>  | May cause damage to organs through prolonged or repeated exposure. Prolonged inhalation may be harmful.          |

## 12. Ecological information

|                                      |   |
|--------------------------------------|---|
| <b>Ecotoxicity</b>                   | Very toxic to aquatic life with long lasting effects.   |
| <b>Persistence and degradability</b> | No data is available on the degradability of this product.  |
| <b>Bioaccumulative potential</b>     | No data available.  |
| <b>Mobility in soil</b>              | No data available.  |
| <b>Other adverse effects</b>         | No other adverse environmental effects (e.g. ozone depletion, photochemical ozone creation potential, endocrine disruption, global warming potential) are expected from this component. |

## 13. Disposal considerations

|  |  |
|--|--|
| <b>Disposal instructions</b>                 | Collect and reclaim or dispose in sealed containers at licensed waste disposal site. Do not allow this material to drain into sewers/water supplies. Do not contaminate ponds, waterways or ditches with chemical or used container. Dispose of contents/container in accordance with local/regional/national/international regulations. |
| <b>Local disposal regulations</b>            | Dispose in accordance with all applicable regulations.   |
| <b>Hazardous waste code</b>                  | The waste code should be assigned in discussion between the user, the producer and the waste disposal company.   |
| <b>Waste from residues / unused products</b> | Dispose of in accordance with local regulations. Empty containers or liners may retain some product residues. This material and its container must be disposed of in a safe manner (see: Disposal instructions).   |
| <b>Contaminated packaging</b>                | Since emptied containers may retain product residue, follow label warnings even after container is emptied. Empty containers should be taken to an approved waste handling site for recycling or disposal.   |

## 14. Transport information

### DOT

|                              |   |
|------------------------------|---|
| UN number                    | UN3283  |
| UN proper shipping name      | Selenium compound, solid, n.o.s. (Yttrium Selenide (y2se3) RQ = 10 LBS) |
| Transport hazard class(es)   |   |
| Class                        | 6.1(PGIII)  |
| Subsidiary risk              | -   |
| Label(s)                     | 6.1   |
| Packing group                | III   |
| Special precautions for user | Read safety instructions, SDS and emergency procedures before handling. |
| Special provisions           | IB8, IP3, T1, TP33  |
| Packaging exceptions         | 153   |
| Packaging non bulk           | 213   |
| Packaging bulk               | 240   |

### IATA

|                              |   |
|------------------------------|---|
| UN number                    | UN3283  |
| UN proper shipping name      | Selenium compound, solid, n.o.s. (Yttrium Selenide (y2se3))             |
| Transport hazard class(es)   |   |
| Class                        | 6.1(PGIII)  |
| Subsidiary risk              | -   |
| Packing group                | III   |
| Environmental hazards        | No.   |
| ERG Code                     | 6L  |
| Special precautions for user | Read safety instructions, SDS and emergency procedures before handling. |
| Other information            |   |
| Passenger and cargo aircraft | Allowed with restrictions.  |
| Cargo aircraft only          | Allowed with restrictions.  |

### IMDG

|                              |   |
|------------------------------|---|
| UN number                    | UN3283  |
| UN proper shipping name      | SELENIUM COMPOUND, SOLID, N.O.S. (Yttrium Selenide (y2se3))             |
| Transport hazard class(es)   |   |
| Class                        | 6.1(PGIII)  |
| Subsidiary risk              | -   |
| Packing group                | III   |
| Environmental hazards        |   |
| Marine pollutant             | No.   |
| EmS                          | F-A, S-A  |
| Special precautions for user | Read safety instructions, SDS and emergency procedures before handling. |

## 15. Regulatory information

**US federal regulations** This product is a "Hazardous Chemical" as defined by the OSHA Hazard Communication Standard, 29 CFR 1910.1200.

**TSCA Section 12(b) Export Notification (40 CFR 707, Subpt. D)**

Not regulated.

**CERCLA Hazardous Substance List (40 CFR 302.4)**

Not listed.

**SARA 304 Emergency release notification**

Not regulated.

**OSHA Specifically Regulated Substances (29 CFR 1910.1001-1050)**

Not regulated.

**Superfund Amendments and Reauthorization Act of 1986 (SARA)**

**Hazard categories** Immediate Hazard - Yes  
Delayed Hazard - Yes  
Fire Hazard - No  
Pressure Hazard - No  
Reactivity Hazard - No

**SARA 302 Extremely hazardous substance**

Not listed.

**SARA 311/312 Hazardous chemical** Yes

**SARA 313 (TRI reporting)**

| Chemical name            | CAS number | % by wt. |
|--------------------------|------------|----------|
| Yttrium Selenide (y2se3) | 12036-87-2 | 90 - 100 |

**Other federal regulations**

**Clean Air Act (CAA) Section 112 Hazardous Air Pollutants (HAPs) List**

Yttrium Selenide (y2se3) (CAS 12036-87-2)

**Clean Air Act (CAA) Section 112(r) Accidental Release Prevention (40 CFR 68.130)**

Not regulated.

**Clean Water Act (CWA) Section 112(r) (40 CFR 68.130)** Priority pollutant  
Toxic pollutant

**Safe Drinking Water Act (SDWA)** 0.05 mg/l  
0.05 mg/l

**US state regulations**

**US. California. Candidate Chemicals List. Safer Consumer Products Regulations (Cal. Code Regs, tit. 22, 69502.3, subd. (a))**

Yttrium Selenide (y2se3) (CAS 12036-87-2)

## 16. Other information, including date of preparation or last revision

**Issue date** 09-21-2015  
**Revision date** 01-12-2018  
**Version #** 03
